

**PLEASE NOTE:**

**A COMPLETED APPLICATION IS NECESSARY FOR DOLLAR CLUB CONSIDERATION.  
SEE INFO BELOW.**

Thank you for your application for the “Legacy Dollar Club.” As you can imagine, the number of requests received each week/month is simply overwhelming. There are so many people in need, which means there are many opportunities for all of us to be the hands and feet of Jesus in someone else’s life.

The following application is required for consideration by the Legacy Dollar Club. Please Type/Write your answers onto the form supplied and return it as indicated below. Please note, **if you have already submitted information and are receiving this application to fill out, you need to re-submit that information with this application.** Following receipt of your application, **you will not be contacted again unless additional information is needed to process the application.**

In the meantime, pray God’s leading will be made known regarding how we can best use these funds to bless others. One thing we have already learned is that we could give away \$100,000 every week and still not meet the substantial needs of so many hurting, struggling people.

We respectfully ask you not to contact anyone on our staff regarding the decision-making process or status of your request. **In general, those whose requests are chosen by the committee will be contacted within two weeks.** If you don’t hear back from us within that time period, it is likely that we’ve been led to assist another candidate.

Have a blessed day!
